All the Principals of Govt I.T.I.s and Private I.T.I.s are aware that there are eLearning contents in the DGT website <https://bharatskills.gov.in> and NIMI websites. The DGT New Delhi has instructed that the Trainees of Industrial Training Institutes (ITIs), Instructor Training Institutes, trainers/faculties of ITIs can continue to learn, and upgrade their knowledge and skills during this period, through extensive usage of online digital learning resources developed by the DGT as under:

- A unified online learning resource for Industrial Training Institute (ITI) students and trainers complete with the curriculum, video lessons, question bank, mock test and e-learning contents can be accessed through our website <https://bharatskills.gov.in/>. It is a mobile friendly application and is also available on Google Play Store as Bharat Skills.
- National Instructional Media Institute (NIMI) under DGT, MSDE has made exhaustive arrangements for live online classes by skilled trainers which could be connected through <http://nimionlineadmission.in/zoom/>.
- The students/trainees can use our facility of mock tests on <http://nimionlinetesting.in/>. While it is a good tool for self-evaluation, it will also help students to get accustomed to 'computer based online exam process.
- Bharat Skills have some futuristic courses in partnership with CISCO in the areas of Networking, Cyber Security etc accessible at <https://bharatskills.gov.in/Home/DGTCisco>. Similarly, a mobile application Quest App is available on Google Play Store with 250+ hours of interactive digital content, online digital content is across 6 thematic areas for 21st century skills available at <http://eskills.bharatskills.org.in/>
- The Skills Build platform of DGT-IBM includes inter-alia advance topics of Data Science, Cloud computing, Artificial Intelligence etc., and professional skills like communication skills, etc and can be seen at <http://skills.yourlearning.ibm.com/> and <https://www.ibm.com/skills/>.

The access to all the above portals and platforms are free. The students may gain digital badge on their skills acquired in certain courses. These tools will help to stay them in touch with their learnings and courses without disruptions at all times.

Apart from the above, a cloud-based Zoom Video Conferencing software was purchased by NIMI for implementing blended learning using online virtual classrooms. It has the capacity of scheduling 18 simultaneous classrooms with a capability of 300 interactive participants and unlimited number of basic users joining the classroom. The live classes can be conducted for unlimited time using a basic laptop or mobile with 4G connectivity. To make the best use of the system a portal has been designed to register all Rock star trainers from across the nation and schedule classes for their students as well as all those who are interested. As per the registration done by the trainer, time slots of one hour will be allotted to them and an ID will be assigned through which participants can register for interactive classroom or can just be a basic viewer without registration. Any user who has a mobile with 4G connectivity can easily join with the ID or link provided. NIMI aims at recording the best lectures and utilize it for the betterment of the Skill training. This will surely help the Instructors to stay connected with their students and faculty. The portal for registration is available at <http://nimionlineadmission.in/zoom/>

In view of the above, all the Principals of both Government ITIs and Private ITIs in the state are hereby instructed to ensure that all the trainers and trainees of respective ITIs shall visit the above websites, register and also to download the Mobile app “Bharath Skills” from Google Play Store to continue to learn for completing the curriculum by utilising the exhaustive arrangements for live online classes conducted by skilled trainers through <http://nimionlineadmission.in/zoom/> and utilise the facility of mock tests through <http://nimionlinetesting.in/>.

The Regional Deputy Director (App) Hyderabad and the Regional Deputy Director (App) Warangal shall monitor all the above activities closely and ensure that every ITI trainee of Telangana State shall utilise the above online facilities for classes and mock tests and complete the curriculum within the academic year.
